Response to Amendment

The reply filed on 9/15/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the status of the claims is not clear (see below). See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

The Examiner respectfully submits that the previous amendment is non-responsive.

Applicant remarks, on page 13 of the previous response, "In order to advance prosecution of the present application, claims 2-4, 15 and 16 have been amended and claim 1 has been cancelled without prejudice or disclaimer". However the status of claim 1 is not clear, since Applicant's argue against the rejection of claim 1. If claim 1 is indeed cancelled, then the status identifier for claim 1 in the claims should indicate the claim is cancelled.

In addition, Applicant remarks "With the presentation of two new extra independent claims, an additional filing fee is due" (see page 14). There does not appear to be new claims present. The Examiner requests the status of the two claims referred to by Applicant's.
